Never fails to give relief in 15 or 20 minutes after taking the first dose, and perseverance according to the directions soon effectually removes all pain from the head and sickness from the stomache. and the person feels perfectly cored. When the first symptoms of an attack of sick headache are felt, the remedy should be resorted to immediately and ose or two doses is then sufficient to remove every vestige of the complaint. It gives universal satisfaction to all who try it, Sick and Nervous Headaches are only complications of the same discase, and both are effectually cured by this article without change of diet or occupation.

MIDDLETOWN, N. J., Merch 12, 1840. Messrs, Comstock & Co.

Gentlemen-You are at liberty to make such use of the following certificate as you deem will best subserve the purposes for which it is intended.

[CERTIFICATE OF JUDGE PATTERSON.] I hereby certify, that my daughter has been affeeted with sick headache for the space of about 20 years—the attacks occurring once in about two weeks, frequently fasting 24 hours, during which time, the paroxysms have been so severe, as apparently soo to deprive her of life. And after having tried almost all other remedies in vain. I have been induced as a last resort to try Spohn's Headache Remedy, as sold by you; and to the great disappointment and joy of herself and all her friends. found very material relief from the first dose of the She has followed up the directions with the article, and in every case when an attack was threatened, has found immediate relief, until she is near permanently cured. The attacks are now very seldom, and disappear almost immediately after taking the quantity directed. A hope that others may be benefitted by the use of this truly invaluable medicine, has induced me to send you the above, and remain your obedient servant, JEHU PATTERSON,

DR. BARTHOLOMEW'S Pink Expectorant Syrup.

The cases of Consumption are so numerous: all the northern-latitudes, that some remedy as a preventive should be kept by every family constantly on hand, to administer on the first appearance of so direful a disease. This EXPECTORANT Syate will in every case prevent the complaint. It is quite impossible for any person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the cases as incurable.

FEMALE DEPARTMENT

HOWARD COLLEGE. A T a meeting of the Trustees of Howard College held on the 22d April, 1841, the followng resolution was unanimously adopted, to wit: Resolved, That this Board open, forthwith, in the town of Fayette, a female school, to be recognized and designated as the "Female Department of Howard College;" and, that Mr. ARCHIBALD PAT-TERSON be and he is hereby appointed Principal of said school, to have the entire management of the

same, and employ such assistants as he may from time to time deem necessary and proper. A true copy from the journal. W. D. SWINNEY, Prs. T. H. C.

A. PATTERSON, Sec. In pursuance of the foregoing resolution, the first session of this institution will commence on Monday, May 3d, 1541; and, thenceforth, the regular session of 5 months each, will commence the first Mondays of May and November, annually. Vacations in April and October. Miss M. HUNT-INGTON has been employed as assistant Teacher, and will enter upon the discharge of her duties at the opening of the session. The services of a com-petent Teacher of French have also been secured Mr. H. KRAMER, professor of Music, will give les-sons on the Piano-Forte, and Guitar. He will make Fayette the place of his residence, and will furnish two or three Pinnos, and the undersigned,

one, for young ladies to practice on. As this institution is designed to furnish a thorough and systematic course of instruction, from the alphabet up, very special attention will be given o the instruction of "young beginners," For chool to accomplish the entire course of studies presented below, such selections shall be made. from the course, as may be deemed of most practical importance, and best adapted to their respective circumstances; avoiding, in all cases, the too common error of attempting to instruct them in the higher branches of science, before their minds have been sufficiently prepared and developed by vigornatural as to escape detection; and prove nearly or quite as useful as the natural Teeth, for the ordinary purposes of life.

Orise the language of books, without comprehending its import, and to run superficially over the and other substances, to prevent further decay, and whole encyclopedia of science, acquiring a mere warranted. edge of none, is deemed permittions, and shall find no place in this institution. Here, pupils will be re-quired rigidly to analyze, and as thoroughly as possible to understand the principles of every subject presented for their consideration. Their reasoning powers, their affections and moral faculties will be called into constant requisition and vigor-ous exercise upon objects calculated to elicit their activity, and best adapted to promote their harmonious and extensive development. In short, they shall be aided, and required to think, and reason, and judge, and act for themselves, and upon their own nsibility; and not, merely, to repeat, mechanically, from memory, the dictums of either men or ooks, which they do not comprehend, or regulate

their conduct by the judgement, the whims, or prejudices of others.

At the close of each session a public examinaion of three or four days will take place, in presence of a committee of Trustees of the College, and a Board of visitors consisting of nine gentle-men whose duty it will be to report, as well to the public, as to the Missouri Annual Conference, such facts relative to the institution as they may leem useful or important.

The undersigned is prepared to receive into his family as boarders, some twelve or fifteen young ladies, who will be associated with, and under the immediate supervision of their instructors out of chool as well as in it. As it is desirable that the attention of young

ladies be less occupied about their dress, than o CUTS, &c. &c., are prepared to execute, at the dress, as much economy and plainness in apparrel shortest notice, and on the most reasonable terms as is consistent with neatness, is earnestly recom-CLASSIFICATON AND COURSE OF STUDY.
